

# *Circle of Confusion Camera Club*

*Whittier, California*

## **Digital Color Competition**

### **General Instructions for Submitting Entries**

1. Digital images may originate from a digital camera or a scanner.
  - a. Images that have received an award or HM in the Color category may not be entered again in Digital Color.
2. Entries are limited to two per competition, plus as many as two make-up entries.
3. Digital Color competition category permits unlimited manipulation of images using a photo management program.
4. Entries must be in JPEG format (example: FILENAME.JPG).
5. Each entry will be automatically resized by the *Image Competition Manager* program to a maximum of 768 pixels in its largest dimension.
  - a. Competitors are free to resize their images to the 768 pixel maximum using their own photo management program.

### **Instructions for Submitting Entries By Email (preferred method)**

1. Entries should be submitted by email to: **competition@cofc-photo.org**
2. Each email should include the following information:
  - a. Maker's name.
  - b. Maker's S4C Uniform Entry Number (UEN) or Circle of Confusion identification number (legacy).
  - c. File name (example: bird\_in\_willows.jpg) and image title (example: "Bird in Willow Thicket") for each entry.
3. JPEG files (images) must be included *as attachments*.
4. Deadline for submission by email is one week prior to competition

### **Alternate Methods for Submitting Entries**

1. *At the meeting preceding* the Digital Color competition, digital images may be submitted using any of these alternate methods:
  - a. CD-R or DVD+R or DVD-R
  - b. USB Flash Memory ("thumb drive")
  - c. Memory Card from camera (except *xD* memory cards)
2. No images can be accepted on the day of the competition.
3. For help with your submission, contact Digital Chair (Richard at 714-527-1766)
